

Lenny DeFina & Michael Scott Sworn In; Pres. Henry Uihlein Fires Joe Warren & Bill Sagal

Correction

We wish to apologize for any misinterpretation of this Newsletter's erroneous second headline. It should read "Pres. Henry Uihlein *Does Not* Fire Joe Warren & Bill Sagal." The error has been attributed to a sudden and irrational outburst of wishful thinking on the part of the Newsletter's Editors.

Christmas Events from Dec. 7th to Dec. 22nd

Toys For Tots

The Toys for Tots drive is now upon us. Lou Profera is running it again this year. Gather up some toys or some cash for toys, and help Lou make it a good year. Lou may be reached on his cell at (631) 871-6714, or by eMail at partanna1@yahoo.com.

President Henry says it would be very nice if everybody brought a toy or two or three to the **Christmas Party** at Zakura Restaurant, 6:30pm on Monday, December 16th.

Christmas Tree Sales

Christmas Trees are here. Thanks to all those who helped unload 350 heavy gargantuan trees ranging from five feet to twelve feet high. For those who did not help, and who did not get the free gifts that were distributed by Harley-Davidson and Tiffany's, we'll see you next year. Tree sales begin after the parade on Saturday, December 7th through December 22nd. Contact Brian Smith (631) 513-9508. This is a mandatory participation event, and each shift has only a few members. If only one does not show up, that shift is in trouble. Therefore, if you cannot make your shift, you **MUST** call your shift leader (in bold on the schedule), or Brian Smith, out tree chairperson. If you find a replacement yourself, let someone know so they know who to contact if there are not enough people to handle the shift.

Meetings & Schedules

(continued from column 1)

The Zakura meeting was a great success. The private meeting room was excellent, and the restaurant is being considered as the Club's regular meeting place for restaurant-based meetings. Club Sagal will still be used for non-restaurant-based meetings allowing both the Club and members to save some money. (see future Newsletters or the web site for meeting schedules and locations). Member input regarding these thoughts/ideas is requested, and any new suggestions or ideas are welcome.

With the aid of our guests, we installed new members Lenny DeFina and Mike Scott (see our most recent directory for contact info).

New members Lenny DeFina and Mike Scott, just met and already close.
