

Some Brave Kiwanians Dressed Up As Biped Reindeer Are Expected At Any Moment...

The Holidays Are Here!

Here we go.... Saturday, December 4th at 10am, Santa Claus is Comin' to Town!!! And yes, the Reindeer will be walking upright. No one knows for sure how they do it, but as we all know, Santa has his ways. Rudolph will lead his team from Main Street to Newtown Lane with great pride. Wait 'til you see what the Key Club has in store this year. Anyone who has the ability to lend a hand pre-parade to help dress and organize the paraders are welcome at 8am at The East Hampton Presbyterian Church. Parade line up is between 9am and 9:30am.

Let's Have Some FunTogether

This weekend also marks the beginning of our Annual Christmas Tree Sales located at The Bayberry. As always, we ask for full membership support with providing some personal time to help sell trees. As we all know, Brian Smith does everything as it relates to Christmas tree sales, and I, alone, as President, recognize his stellar performance. Please call Brian at (631) 513-9508 for your schedule, or with any need you may have for a time switch or... if you want to sign up for an extra shift! Let us also remember to extend some extra holiday season appreciation for those who received and set up the trees on Tuesday morning.

Toys For Tots

Adding to our Christmas cheer and also (yes also), we have a lot of great stuff happening at the same time. Launching this week what brings smiles to children's faces, GUARANTEED... Toys for Tots. Our very own Lou Profera has ensured that boxes and signs are appropriately and strategically placed all around town and ready to be overfilled with Toys... For... Tots. New, unwrapped toys and/or mon-

Key Club News

First, Let us all commend the Key Club for their spectacular efforts and awesome results with their food drive. LOOK at Joe's truck (see pic) Thank you Key Club and thank you Catherine Giaquinto for a job well done.

This is not your

'cookie cutter' Key Club... 45 members strong.... They intend to make Santa and Rudolph proud on Saturday with a freshly painted and decorated gingerbread house and what we hear is to be an impressive showing, possibly record number, of Key Club members. We can't wait. Don't miss this Parade. Come and show your support and enjoy the show. Go Key Club!

Meals On Wheels 2010

Just this past month, at the first meeting at our amazing new venue, Stanley Dalene and Rudy DeSanti presented a check for \$22,400, proceeds from the Golf Outing, to Cindy Kaback, President of East Hampton Meals on Wheels... another successful fund-raising event. Cindy then won our meeting's 50/50 raffle and generously donated it back to the Club. Thank You Cindy! AND... thank you Stanley and Rudy for your continued efforts and dedication.

A correction from our last Newsletter. A historic event was incorrectly described as 2 golf balls falling directly into the cup during the Famous Golf Ball Drop. Well, the correct historic fact is that not one, not 2, but 3 golf balls landed directly in the cup. Wow! Potentially an unbreakable record. Can more than 3 golf balls fit in the cup? Anyone? See you next year....
